Dear Members,

Thank you again for supporting the Whitefish Golf Club - we wouldn't be successful without you!

As has been communicated, we are charging 3% this year whenever a card is used to pay for your member account. To avoid this, you may either pay with cash or a check at the Pro Shop. You may also set up a bank account and use ACH on the Fore Up software with your member account.

Please note in 2026 you will receive your bill via email on the 25th of each month and have 30 days to complete payment. If after 60 days your invoice is still unpaid, your account will be froze and the General Manager will be in touch to resolve the outstanding balance.

To ensure payment is seamless, here is a little tutorial on setting up your ACH.

Step 1.

- Go to Whitefish Golf Club at www.whitefishgolf.com.
- Go to Book a Tee Time. This will take you to foreupsoftware.com.
 - You may save this location on your smartphone.
- In the Upper Right corner, click on the three lines.
- Go to My Account. If you have never logged in, you will need to do this. Call us if you have questions on how to do this.
- Go to Billing.
- Go to Manage Payment Methods
- Click on Add Payment Method. Check the box that you agree to Fore Up Terms of Service. Press Agree and Continue
- Then, you may add your name and bank account information. Or Add Credit Card instead. Follow prompts.

Step 2.

- You will then need to Verify the Bank Account the next day. Go to your bank account and find the two charges made to the account. For example .09 and .06.
- Then, go back to the foreupsoftware.com. Back into Billing. Back into Manage Payment Methods.
- Now, Type in the amounts and Verify the Bank information.

Step 3.

- Then, you should be able to use the ACH from the system.
- Please let us know if you have any questions. We are happy to help!

Regards,

Whitefish Golf Club Staff
